

# Snacks with a Scientist

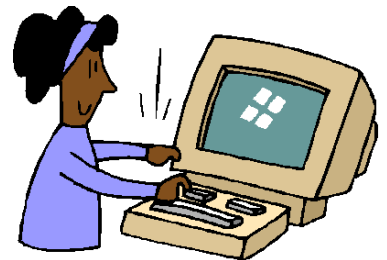

## Olive Children & Berkeley Academy's STEM Guest Speaker Series | 2017 - 18

**What:** At Olive, we cherish the opportunity to bring the community together in ways that enrich students' STEM experience and bring appreciation to local STEM professionals. A guest speaker series every other week, designed to give students a greater appreciation for local scientists, engineers, and other STEM-related professionals, and a broader knowledge of the available careers in STEM (Science, Technology, Engineering, Math) fields.

**When:** The first and third Friday of every month @ Berkeley Academy, 3:30 PM – 5:00 PM.

**Featuring:** Guest Speakers from Computer Science, Medicine, Chemistry, Biotechnology, Aerospace Engineering, Physics, and much more!
